### **DETAILED ACTION**

The following is an examiner's statement of reasons for allowance:

Claims 1-20 are allowable over the prior art of record because the prior art of record fails to teach or fairly suggest that restoring a file system from one or more incremental backups in the presence of deletion, without restoring a deleted file and using the deletion log and the metadata associated with the deleted file, re-deleting the deleted file that has been previously backed up.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
